

FUNDRAISING IDEAS

There are many ways you can help Doctors Without Borders/ Médecins Sans Frontières (MSF). Take a look at these fundraising ideas for inspiration. Use your skills and interests to personalize your fundraising event. When you're ready to start planning, read over the Fundraising Guidelines and send the Fundraising Proposal to MSF Canada to receive approval, support and a Fundraising Toolkit that includes resources to help make your fundraiser fun and successful.

! TIP:

When deciding what type of fundraiser to organize, consider your interests and the interests of your target audience. Ask yourself, "Would I attend this event if I wasn't organizing it?"
